SHH Family:

Since all Pennsylvania Public Schools have been closed due to the “coronavirus” pandemic:

Sarah Heinz House will be CLOSED for all regular programming effective at 9pm on Friday, March 13, through March 29.

We will continue to assess the situation and communicate future plans and next steps as they are developed.

The safety of those we care for, as well as the safety of those who make SHH the special place that it is (YOU), continues to be our number one priority.

Because we are committed to the most vulnerable population that we serve, we **will continue to offer our daily foodservice to youth and teen members of Sarah Heinz House** who need to receive this service. If this is not an essential need for you or your family, then we strongly advise you to follow CDC recommendations and limit your travels to public places.

Boxed Dinners will be available from 4:30-6pm, Monday through Friday, “TO GO”, or “DRIVE THROUGH” ONLY, at our turnaround circle near our Main Entrance. The building will not be open.

Thank you for your understanding and cooperation with the above. We hope that our collective efforts as a community will curb the spread of this virus.

Be Safe and Be Well,

Jennifer Cairns

Executive Director
