This month we want to recognize Gabe Osorio for his enthusiasm to serve at SHH. He constantly steps up to help out, in his classes and around the building. We are so glad Gabe is part of our SHH family, keep up the great work!

Each February, SHH members have provided help to another organization and raise funds the entire month. This year we have chosen Light of Life and are so excited to lend our support! We will raise funds together through many fun events (check events for details) and our Penny Challenge where divisions compete against each other to raise the most money. Help us support others the way so many have supported us!

PENNY CHALLENGE
